Thanks to the support of Dean Doreen Bartoni and to the work of Dr. Peter Zhang and our colleagues in the Acoustics Program, and as per the criteria set forth for the 2009-2010 academic year, I am pleased to announce that the following students are the recipients of the Chinese Government Scholarship:

Ian Hough
Damien Dagovitz

Furthermore, after reviewing the applications that were received, the Consulate of China decided to offer a third scholarship that would recognize academic service and leadership. I am pleased to announce that this scholarship was awarded to the following student:

Jessica Borowski

They will be attending Tongji University, February through June of 2010, studying both Chinese language and culture, as well as acoustics at this prestigious institution.

Please join me in congratulating these outstanding individuals.
