

John B. Duff
President

MEMORANDUM

DATE: September 16, 1999
TO: *See Distribution List Below*
FROM: John B. Duff, President
RE: North Central Association Report

Enclosed is the final report of the North Central Association Visiting Team along with the College's official response. The team makes a number of recommendations and suggestions, the details of which are discussed in my official response to NCA, that the College community shall consider during the coming academic year. Please feel free to share the document with your colleagues.

Once again, I thank the entire College community for the efforts which made this accreditation visit successful.
