

Kraft Great Kids Family Nights

The Kraft Great Kids Family Nights are designed to provide opportunities for parents of children ages 6-12 to be actively involved in their child's learning experiences. At each event, parents learn ways to support their child's education through fun, engaging activities that encourage learning between them and their child. February's Family Night theme is "Overcoming Obstacles and Challenges." Events are free and take place at libraries across Chicago. Dinner is provided. Space is limited, so please call the contact listed below to reserve your spot.

Date	Address	Contact
Thursday, February 14	Back of the Yards 4650 S. Damen	Sarah Tansley 312-747-8367

Thursday, February 28	West Englewood 1745 W. 63 rd St.	Tamela James 312-747-3481

The Kraft Great Kids Family Nights are a part of the Kraft Great Kids Program consisting of organized, after school activities that focus on three goals:

- Give children supportive places to go after school that are healthy, active, safe and fun.
- Use the arts as a fun way to interest children in reading and learning.
- Provide children with homework help.

The Kraft Great Kids program is a partnership between the Chicago Public Libraries, the Chicago Park District and After School Matters.
