RE: Grades

Grades for the Fall semester can be entered on OASIS beginning on Monday, December 8.

Grades are entered using the Online Grade Entry feature on OASIS at: <http://oasis.colum.edu/>

You can view an on-line video or podcast on how to enter your final grades at: <http://www.colum.edu/oasis/tutorials.php>

Procedure to enter grades:

1. Open the OASIS Portal (<http://oasis.colum.edu/>)
2. Login in using your 5 or 6-digit Oasis ID and password. If you do not have this information, contact User Support at (312) 369-7001.
3. Click on the Faculty Tab.
4. In the CX-Faculty Main portlet, click on the Grade Entry link.
5. Set the catalog to UG08 (undergraduate) or GR08 (graduate) and the Current Option Settings to Fall 2008.
6. On the Grade Entry Screen, select the radio button next to the course. Click on the Select Course Marked button. If you do not see your courses contact User Support at (312) 369-7001.
7. You will be asked if you are entering Final, Midterm or Attendance grades. Select Final and click the Continue button.
8. The actual grade screen will have all of your students listed. Each student will have a grade of IP (in progress). If a student withdrew, a grade of W will appear. Plus and minus grade options are available. Students who opted for the Pass/Fail Option will be indicated. Use the downward arrow to select a grade from the listing or type in the desired grade. If a dropdown menu does not appear, it may be a problem with your browser. Internet Explorer 6.0 or the latest version of Firefox is required.
9. If you are awarding a grade of "F", a drop down window will appear and you will be asked to indicate the last week the student attended the class. This is for financial aid compliance purposes. If the student attended the entire semester, and is failing due to poor performance, rather than non-attendance, please select 9+.
10. Please enter a grade for **every** student. When all grades are entered, click on the Submit Grades button.
11. The deadline for submission of grades is Saturday, December 20. Grades submitted after this date are considered to be late. **Please note that students will be able to see their grades immediately after you submit them.** The window to enter grades will close at 11:59 pm, Saturday, January 10. You may go back and change individual grades until that date. A grade confirmation will be sent to your Columbia e-mail. Print this for your files.
12. **GRADE CHANGES:** After January 10, grades can be only changed using the online Grade Change Form. This form must also be used to change grades from previous semesters. The form can be found on the OASIS faculty page at <http://oasis.colum.edu/ics/Faculty>. Note: you will be required to log in a second time to access the Feith workflow form.

The Center for Instructional Technology will be sponsoring a Grading Party on Wednesday December 17th, from 10 am to 1 pm in room 811F, 600 S. Michigan. Assistance will be available to help you enter your grades online. Refreshments will be served!

Feel free to contact the Records Office at (312) 369-7224 if you have any questions. Call User Support at (312) 369-7001 for technical assistance.
